

SISCO - WHISTLEBLOWER POLICY

1. Introduction:

Sunflag Iron and Steel Company Limited (SISCO) has earned a reputation over a period of 25 years for conducting its business with integrity and with respect for the interests of those our activities can affect. This reputation is an asset, just as real as our people and products.

We believe in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behavior. Towards this end and our first priority is to be a successful business and that means investing for growth and balancing short-term and long-term interests. It also means caring about our consumers, employees and shareholders, our business partners and the world in which we live.

To succeed requires the highest standards of behavior from all of us. The general principles contained in the SISCO Code of Conduct (“the Code”) set out those standards. We want this Code to be more than a collection of high-sounding statements. It must have practical value in our day-to-day business and each one of us must follow these principles in the spirit as well as the letter.

The role of the employees in pointing out such violations of the Code cannot be undermined. There is a provision under the Code requiring employees to report violations, which states:

1. Reporting Concerns

“Every employee of SISCO shall promptly report to the management, and / or any committee constituted for this purposes and / or authority delegated, when she / he becomes aware of any actual or possible violation of the Code or an event of misconduct, act of misdemeanor or act not in the company’s interest. Such reporting shall be made available to suppliers and partners, too. Any SISCO employee can choose to make a protected disclosure under the whistleblower policy of the company, providing for reporting to the chairperson of the audit committee or the board of directors or specified authority. Such a protected disclosure shall be forwarded, when there is reasonable evidence to conclude that a violation is possible or has taken place, with a covering letter, which may bear the identity of the whistleblower. The company shall ensure protection to the whistleblower and any attempts to intimidate him/her would be treated as a violation of the Code”

Section 177 (9) of the Companies Act, 2013 read with Rule 7 of the Companies (Meeting of Board and its Powers) Rules, 2014 mandates the following classes of companies to constitute a vigil mechanism –

- a. Every listed company;
- b. Every other company which accepts deposits from the public;
- c. Every company which has borrowed money from banks and public financial institutions in excess of Rs. 50 crores.

Further, Clause 49 of the Listing Agreement between listed companies and the Indian Stock Exchanges has been recently amended which, *inter alia*, provides for a mandatory requirement for all listed companies to establish a mechanism called the 'Whistleblower Policy' for directors and employees to report concerns of unethical behaviour, actual or suspected, fraud or violation of the Company's code of conduct or ethics policy.
